RE: Recommendation of Sam Burch

For anyone seeking a preacher and facilitator of the Word in their church or group, I would like to offer my highest recommendation of Sam Burch. After working closely and in accountability together in ministry with Sam for over 10 years, there is no one I could more commend as a servant of Jesus Christ and His Word. Be assured that, if you choose to invite Sam, He will bring the Word with absolute passion and integrity. There will be no hidden agendas or messages. It will be a message that purely and graciously presents Christ and what Jesus can do in the lives and hearts of people who surrender to Him. With a pastor's heart, Sam understands the need of the local church and knows how to minister to people. He will be a friend to the pastor as well as to the congregation.

Sam's love for Jesus and commitment to the Word comes through in everything does, with a special touch that comes only from God and that has been shaped by his decades of pastoral experience. He is a servant of impeccable integrity, humility, and authenticity. He will not only point people to Christ through his preaching but will show Christ through his daily life. He will come to the church as a servant not seeking anything but the opportunity to build up the church and be a facilitator of what God desires to do among them. As numerous pastors have already discovered, Sam brings the refreshing presence of the Holy Spirit wherever he goes.

I can say all of these things most confidently because of how my own family and I have personally experienced these things through Sam's life and ministry. Perhaps there could be no higher credential or commendation than to say that there is no one to whom I would rather point my own family as an example of the holiness life in Christ. I am confident you will find the same.

Please feel free to contact me if I can be of any assistance.

Sincerely in Christ,

Dr. John Juneman
